## **Words for song by RNCS for Printing for Congregation**

Lord, help me to see you, O Lord, help me to see  
Your mercy and your grace, as I strain to see your face.  
Oh Lord, help me to listen to your life-giving Word  
Lead me to your tomorrow, and give me courage to follow

That I may see you. That I may be with you  
That I may feel you. That I may know I am yours today.

### **Final time only repeat at end:**

I want to see you. I want to be with you  
I need to feel you. I need to know I am yours today
